Dear Spring Plant/Tree Sale Customer,

After several discussions concerning the serious nature of the COVID-19 outbreak and for the safety of our customers and staff it is with much regret that the soil & water has made the decision to cancel the 2020 Spring Plant and Tree Sale.

If you have placed an order with us you will find a refund check and a copy of your order enclosed.

We apologize for the inconvenience and truly appreciate your support of our plant and tree sale program. With the ever-changing situation, the board of supervisors felt it best to not continue the sale. Our number one priority is keeping our customers safe.

We do plan to hold our annual sale again in 2021 and encourage you to place an order. Look for the bright green forms in January 2021.

Thank you for your understanding.
